

ReSource Donation Guidelines

We appreciate your role in helping us conserve resources and prevent usable materials from ending up in the landfill. However, due to the unique nature of our program and our space limitations, we can not accept everything you bring us. Materials must be in good condition & re-usable as is. The staff does not repair, recycle or dispose of trash for customers. For a nominal fee we offer a pick-up/delivery service. For pick-ups, call 303-472-8573 in the Boulder area, or 970-498-9663 in the Fort Collins area.
